The screenshot shows the 'Selected sources' sidebar in Tableau. The sidebar has a header 'Selected sources /' and a search bar. Below the search bar, there is a list of data sources. The '50_startups.csv' source is expanded, showing a hierarchy of categories: 'R&D Spend', 'Administration' (highlighted with a red box), 'Marketing Spend', 'State', and 'Profit'. The 'Administration' item is the selected source for the visualization.
